## Regional Director Payroll

Ken is a true veteran who attributes his success thus far to his keen eye for detail and a never-ending drive to improve. His leadership has groomed a team who are sensitive to the needs of clients and always on the lookout for ways to provide the right solution for our clients.

His magnum opus was his end-to-end handling of the HSBC payroll deal. Through his passion and empathy for the client, he was able to close the deal and also go on to implement and oversee the payroll processing for almost 15,000 headcounts.

Some notable clients he's worked with include (formerly known as) Royal Bank of Scotland, Hospira and Symrise.

DIAGEO

Prem is essential to our payroll operations. Any project, no matter the complexity or size, becomes bite-sized, manageable parts through his sharp assessment and aptitude for having a deep understanding of clients requirements.

It was why he had been trusted with a project for Mitsubishi Fuso, Japan, where he ran end to end implementation and operations including setting up of back office of processors in Malaysia, with fronting staffs in Tokyo.

Other clients he's worked with include Daimler, Continental, Credit Suisse and Blackrock.
