Smart Business Solutions

ignite
by BoardRoom

Designed for HR.
Built for Your People

Ignite Payroll HRMS is BoardRoom's secure, cloud-based payroll and HR platform designed for HR and People Managers who want accurate payroll, streamlined administration and a better employee experience.

By combining payroll automation and employee self-service in a single system, Ignite enables HR teams to move beyond manual processing and focus on higher-value people initiatives.

How Ignite Supports HR & People Managers

Less Admin. Greater Impact.

- Automates payroll calculations and approval workflows
- Minimises reliance on spreadsheets and manual checks
- Streamlines HR operations through employee self-service

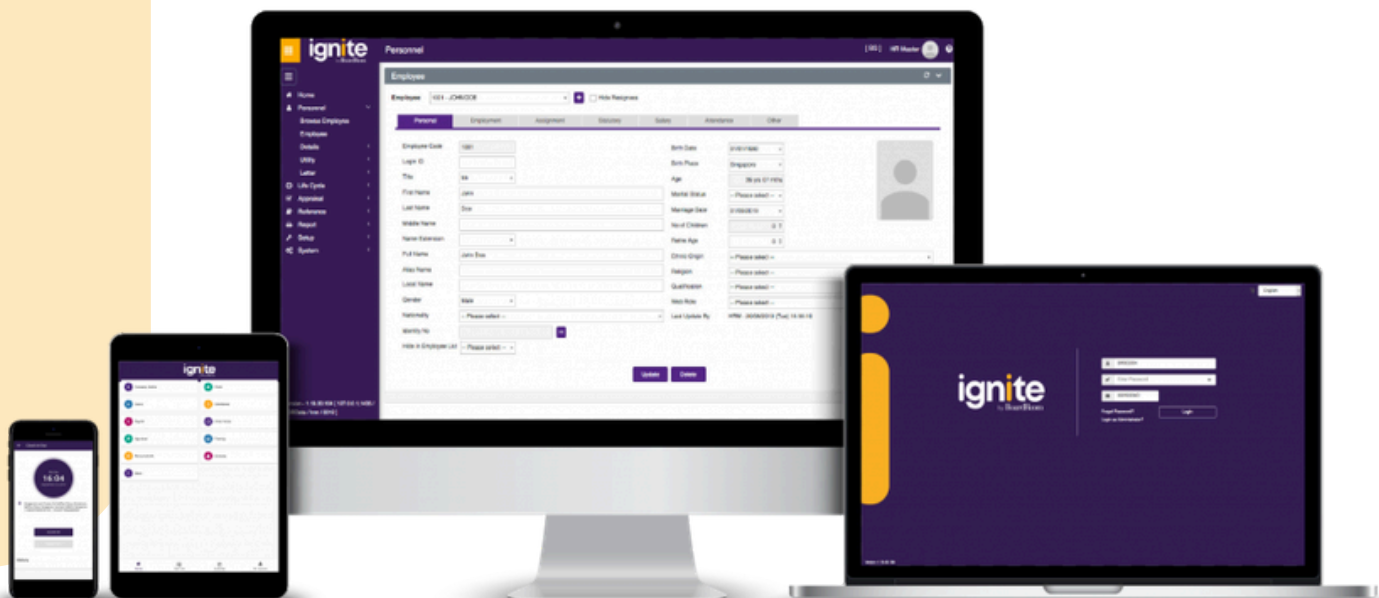

Payroll Accuracy You Can Trust

- System-driven calculations reduce human error
- Standardised payroll processes across teams and locations
- Accurate, on-time payroll every cycle

A Better Experience for Employees

- Self service access to payslips, leave & claims
- Faster approvals with greater visibility
- Improved engagement with less HR intervention

Everything HR Needs. Right at Your Fingertips.

Payroll

Automated payroll with multi-country statutory support

Leave

Easy leave balance checks and digital applications.

Claims

Paperless claims with mobile receipt uploads.

Time & Attendance

Integrated clocking, rostering and shift management.

Employee Hub

Multilingual self-service with instant notifications.

Mobile Access

24/7 access to payslips, leave and claims on the go.

Secure & Compliant by Design

Ignite is built with security and data protection at its core, safeguarding sensitive employee data while supporting HR governance needs.

Certified Security & Compliance:

ISO 27001 and SOC 2 hosted, aligned with ABS OSPAR and PDPA standards.

Audited Controls:

ISAE 3402 Type 2 assurance for secure, reliable payroll operations.

For HR teams, this means payroll data is protected, controlled and audit-ready.
